Monitors

Tyler has his own Shure PSM200 In-ear set up.

Travis, Joe, and Dru share one Sennheiser SR300 IEM G3 transmitter (Frequency B) with three Sennhesier EK 300 IEM G3 receivers. The Left channel is reserved for Dru's mix and the right channel is reserved for Travis and Joe's mix.

Monitor Mixes

Tyler-Lead Vocals:

Wedge: All Guitars and Keys, and vocals (more lead, less backup)

In-Ears: He will run his microphone through the first channel. Second channel will be the same as wedge mix.

Josh-Bass Guitar and Vocals:

Wedge: Back up vocals hot, less lead vocals, all guitars and keys

Travis-Lead Guitar and Vocals:

Wedge: Lead Guitar, back up vocals hot, less lead vocals

In-Ears: All Guitars and Keys, back up vocals hot, less lead vocals

Joe-Keyboards/Rhythm Guitar and Vocals:

In-Ears: All Guitars and Keys, back up vocals hot, less lead vocals

Dru-Drums:

In-Ears: Full Band Mix (Kick, Snare, Hats emphasized, some toms, all guitars and keys, Bass, lead and back up vocals)
